We are approaching our 2nd decade in the construction industry. We are fortunate that over these years we have remained committed and dedicated to the " Quality and Integrity by professionals " to enhance lifestyles to the diversified clientele.

It gives us great pleasure to see the success of our previous projects in the construction industry of Peshawar and we as a team are delighted to announce " **ORHAN TOWER** " with strong commitment to quality assurance and redefining the standard of living.

Best regards,

LOCALITY

The main feature of our Project is “Location” Our Location diversifies our presence from other projects as our location is accessible from all leading areas of Peshawar.

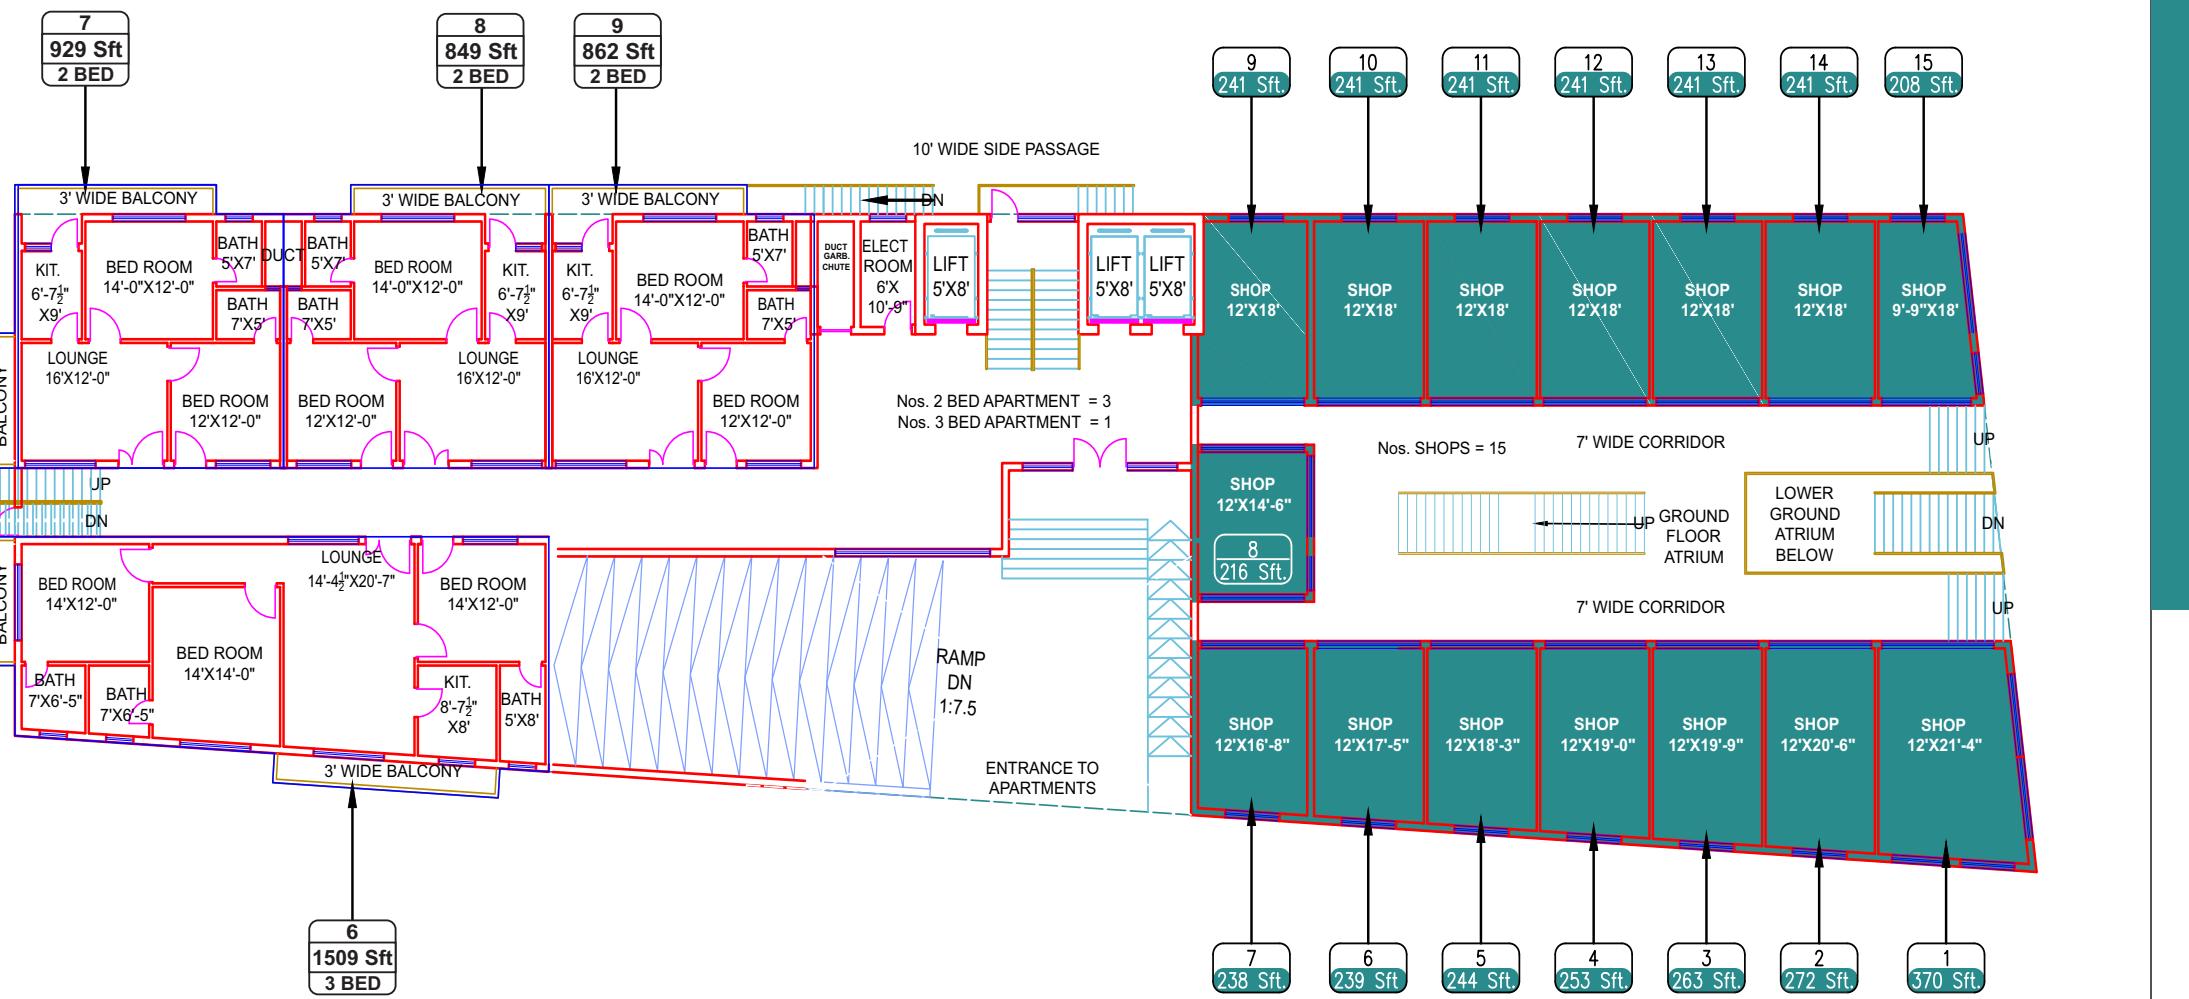

Since we are in the heart of Peshawar and you know we are at almost average 5-7 mins drive from everywhere, Hayatabad, University town, ring road, airport, Saddar Cantt, schools, Peshawar university etc.

Due to the fact of our prime location and amenities alongside, it is certainly worthly at [Orhan Tower](#).

Our innovative construction, well-designed features, and elegant accommodations are rarely found.
